

# RECESS IN SPAAAAACE!

Did you know that all of the games and sports you've ever played were **made up** by people? Can you imagine what it would be like to play games **ON ANOTHER PLANET??** Let's imagine what **RECESS** would look like in **SPACE** by inventing a game!

**WHAT PLANET** are you playing the game on? This could be a real or imaginary planet!

What is the **ENVIRONMENT** like there? Is it cold? Windy? Hot? Stormy? Covered in candy?

**WHERE** is the sport played? An arena? A field? Inside an ice volcano?

**DRAW** your sport being played below and label details of what your planet looks like, the location on the planet, the players, the equipment, and maybe even how you WIN!

**NAME OF GAME:** \_\_\_\_\_

Is it an individual (one person) or a team sport? **HOW MANY PEOPLE** are on a team?

**Idea Storm**

What **EQUIPMENT** do you need to play it? A ball? A net? A unicorn? Make a list!

What is the **GOAL** of the game? How does someone win?
